PLEASE HELP FESTIVAL TED MASON

As you know, all the Little Teddies have run away
to far off lands and we've started to receive
reports from all over the world from those
who've spotted them.

Thank you!

This information has been passed to Ted Mason and as I'm sure
you can understand he's starting to get a little anxious.

Thank you!

He now needs your assistance.

Help Ted Mason Collect His Little Teds

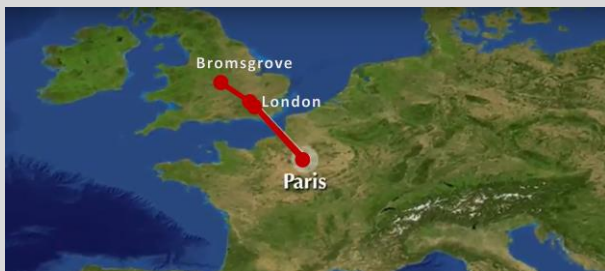

How does FESTIVAL TED MASON collect his lost little teddies?

By a single circumnavigation of the globe on a pre-determined route, collecting them from wherever they may be.

The 25,000 mile trip is financed by £5 sponsorship for every mile travelled. Each 185 miles of his trip recovers a little Ted.

By raising £125,000 in sponsorship over the next 5 years, Festival Ted Mason will have all his little Teds with him at PGL in June 2022

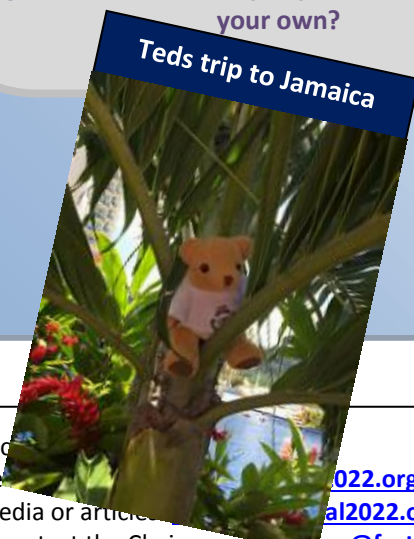

Ted has so far travelled 390 miles to Paris, and soon leaves for Rome...he has so far recovered 2 little Ted's and needs your help move him on again.

See the next page for how you can help. You will see a set of events that have already been organised. However, if you prefer then why not run your own?

HAVE YOU SEEN ANY LITTLE TEDS

Email your photo with caption if you wish (humorous or otherwise) to ted@festival2022.org.uk, or post them on Facebook or Twitter. If you add the hashtag #festivalted, TED MASON will place these sightings in an album and mark them on his world map.

To view the album and the current map check out festival2022.org.uk/ted

Note: As a chaperone for Little Ted you do not have to raise sponsorship to take him away

This Ted likes his motor racing.

*HELP TED MASON BY JOINING ONE OF HIS EVENTS
OR BY DOING YOUR OWN*

Festival Ted Sponsorship

Participate in any Sponsored event and watch your fundraising TRANSPORT FESTIVAL TED MASON around the World. Any sponsored event will count so long as you register it with our new "sponsorship coordinator" Mark Babington - see below for his contact details.

THIS IS ALL YOU NEED TO DO

Explain the event to friends and family and see if they would like to join you

Set yourself a fundraising target. Is it to be £250, £500, £1,000 or even more?

Create your own fundraising page. It's EASY when you use Everyday Hero

www.everydayhero.co.uk/event/E2022. Go to this site, follow the simple instructions, set up your own Fundraising page and watch the sponsorship mount up. There is no levy charged for using this platform, it sorts out the gift aid for you and you don't even have to collect the money. If you prefer, use a traditional paper sponsorship form which will work equally well.

GET FRIENDS AND FAMILY TO SPONSOR YOU.

Direct them to your sponsorship page by either word of mouth, Facebook, Twitter or send them an email with the link. It couldn't be easier

Any queries just contact Mark Babington at
FundRaising@festival2022.org.uk.

Thank you!

"CYCLE FOR TED"

Sunday 17th September 2017

Ted Mason is getting fit and healthy for the new Masonic year and at the same time he wishes to take in some of the local sights. He will start from the Provincial Office in Bromsgrove and cycle for approximately 50 miles.

He has suggested that if any of you (together with your friends and family) feel that you wish to share his experience, you are invited to join him in "CYCLE FOR TED". You may only wish to do part of the ride which is OK and it will avoid major roads and hills wherever possible. There will be a support vehicle (with basic spares), first aid support and of course a stop or two for coffee and cake.

"LOSE HALF A TONNE FOR TED"

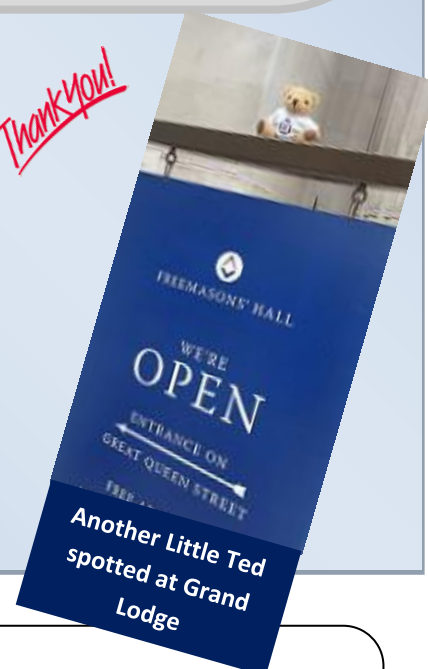

Ted Mason is a bit of a tubby bear and has noticed that one or two of us need to shed a few pounds in readiness for our own adventures. He has suggested that if any of you (together with your friends and family) feel you ought to shape up a little, you should join him in "Losing Half a Tonne for Ted". He wants us to lose 1,102 pounds in total.

“AND FINALLY”

Meet Mark Babington

Mark has joined our Festival Committee to assist with sponsored events. A member of Campbell Lodge 3643 for 4 years, he has experience in planning and taking part in a number of sponsored events. In the last 2 years, Mark has raised approximately £30,000 for Marie Curie in Solihull by cycling the length of Ireland and from London to Paris.

Through that experience he has picked up some useful hints and tips which he hopes could help brethren carrying out sponsored events for the Festival. If you need help or are looking for guidance, he can be contacted on ...
